Uncollected Children Policy

September 2020

Our school has the highest regard for the safety of the children in our care – from the moment they arrive to the moment that they leave.

At the end of every session, the School will ensure that all children are collected by a parent, carer or designated adult.

If for some reason a child is not collected at the end of a session, the following procedures will be activated:

- If a parent, carer or designated adult is more than 5 minutes late in collecting their child, the parent will be telephoned or texted in order to try to ascertain the cause for the delay, and how long it is likely to last. Parents will have a reminder of times and a warning of late payment fee if it happens again
- At 12.00 the child will be taken into the hall to wait with staff and children at lunch as this is paid childcare time and staff are setting up for afternoon session children
- At 3.30pm the child will be taken into room 1 to be with the childcare staff and children
- While waiting to be collected, the child will be supervised by members of staff who will offer them as much support and reassurance as is necessary.
- Parents who are charged for late collection will be charged £5 for every 15 minutes that the child remains uncollected
- If, after repeated attempts after 5pm, no contact is made with the parent, carer or designated adult, and a further period of 30 minutes has elapsed, the school will call Social Care for advice 0115 8764800 or email candfdirect@nottinghamcity.gov.uk
- In the event of social care being called and responsibility for the child being passed to a Child Protection Agency, the school will attempt to leave a further telephone message with the parent/carer or designated adults' answerphone or text. Furthermore, a note will be left on the door of the School's premises informing the parent, carer or designated adult of what has happened. The note will reassure them of their child's safety and instruct them to contact social care or the police
- Under no circumstances will a child be taken to the home of a member of staff, or away from the School's premises unless absolutely necessary, in the course of waiting for them to be collected at the end of a session
- The child will remain in the care of the School until they are collected by the parent, carer or designated adult, or alternatively placed in the care of social care or the police
- Parents and carers will be informed that persistent late collection may result in the loss of their child's place at the school

This policy will be reviewed every 3 years.
